I got a rocking chair that rock  
I got a rubber ball that roll  
But I need a whole lotta woman  
To satisfy my soul

A boy need a girl  
She need a ring that's made of gold  
But I need a whole lotta woman  
To satisfy my soul

I don't need no woman  
I don't need her because she's fine  
I need a girl, a sweet little thing  
To love me all the time

Fire makes things hot  
I know ice keep em cold  
But I need a whole lotta woman  
To satisfy my soul

A whole lotta woman  
To satisfy my soul  
Whole lotta woman  
Man, can satisfy my soul

I don't need no woman  
I don't need her because she's fine  
I need a girl, a sweet little thing  
To love me all the time

Fire makes things hot  
I know ice keep em cold  
But I need a whole lotta woman  
To satisfy my soul

A whole lotta woman  
To satisfy my soul  
Whole lotta woman  
Man, can satisfy my soul

If you get cold  
A coat will keep you warm

But I need a whole lotta woman  
To satisfy my soul

A boy need a girl  
She need a ring that's made of gold  
But I need a whole lotta woman  
To satisfy my soul

A whole lotta woman  
A whole lotta woman  
I don't need a woman  
Just because she's fine

A whole lotta woman  
To satisfy my soul  
I need a whole lotta woman  
To satisfy my soul

Somebody help me  
You got to help me  
I need a woman  
Whole lotta woman

Somebody help me  
You got to help me  
I need a whole lotta woman  
Whoa, oh, oh

Whole lotta woman  
Whole lotta woman  
You got to help ne  
You got to help me

I need a woman  
Whole lotta woman...
