your authority  
comes with a lie: superiority  
locked in a realm of deceit  
ripped far away from reality  
soon you will kneel to the masses  
beg they don't take away  
your authority  
you've been pushing on germs like me  
suddenly you have the right  
to deal pain to the masses  
and i know, you enjoy it  
do i know, you enjoy it  
yes i know, you enjoy it  
i know you get high off it  
and i know this germ is never gonna get it
