I want to get head tonight
I want to get head tonight
I want to get head tonight
That's right, do bite, be light
Took her to a party, she wouldn't give me head
Didn't tell her my real name I told her it was Fred
Everyone at the party was digging on her butt
And though she wouldn't give it up
Still thought she was a slut because
She's moving, she's grooving, she's digging she's
swinging on it ...
Took her to the parking lot I had her in my car
Everybody in the place, they thought I would go far
Tried to get her panties off she wouldn't let me go
And every word that she said - it sounded just like no
because
She's moving, she's grooving, she's digging she's
swinging on it ...
