We went drinking last night - I'm overserved again  
Something whispers in my ear - the bottle is my friend  
Playing devils advocate, I'm doing as I'm told  
Bartenders' are smiling, another beer is sold  
I'm overserved again, I'm overserved again!  
Order another round and keep it coming fast  
Only three of us are left and we'll see who can last  
I can see the alcohol closing up their eyes  
People to the left of me are dropping just like flies  
I'm overserved again, I'm overserved again!

Pick myself up, I've got to take a piss  
The toilet keeps on moving and I know I'll fuckin' miss  
Get back to the table - their faces smashed on it  
Grab their heads by their hair - what's this fuckin' shit?

We went drinking last night - I'm overserved again  
Something whispers in my ear - the bottle is my friend  
Playing devils advocate, I'm doing as I'm told  
Bartenders' are smiling, another beer is sold  
I'm overserved again, I'm overserved again!  
We went drinking last night - I'm overserved again
