I'm stairing at a picture,
a plastic silhouette, i'm alive.
oh, i wish that i could walk away from this not so
perfect lie, i'm alive.
oh,oh whos the one to stay caught this spade to speed
i'm sure said a ride by the look on you're face.

-Chorus-

do you ever listen to your words (you were never one to
blame)
do you ever listen to your words (you were never one
to)

i know, you know, that is going to be, oh, oh, oh, ohhhh.
were going to cut his clothes for somewhere else to go.
this show is oOoOoOoOver.

And as the story is told 5 years ago, your not the same
person i used to...find myself away more and more
each day. simply sending sorrys to myself, im not the
same.

-Chorus-

do you ever listen to your words (you were never one to
blame)
do you ever listen to your words (i should of been the
one to blame)

i know, you know, that is going to be, oh, oh, oh, ohhhh.
were going to cut his clothes for somewhere else to go.
this show is oOoOoOoOver.

And don't tell me your okay with this lie...lie. see for
another time. i'll take the blame if you would just say
goodbye.

do you ever listen to your words. your not, not coming
around.
and do, do you ever, do ever wish you were somebody
and do, do you ever, do ever wish you were somebody

else
(and do you wish you were somebody and do you wish
you were somebody else)
(and do you wish you were some where and do you
wish you were some where else)

i know, you know, that is going to be
i know, you know, that is going to be, oh, oh, oh, ohhhh.
were going to cut his clothes for somewhere else to go.
this show is oOoOoOoOver.
[x2]

I'm not down, everyone head for the doors. and no
need, need for an encore
lights out, everyone head for the doors. and no need,
the show is over
