My style yeah I like to party down on a  
thursday night and you know we do it right  
mad wild going crazy with the crew yeah  
we do what we want to and you know  
when I hit the suds itæŠ a nightmare stand clear  
doing what I feel is right if not who cares  
not me evil like the devil donæŠ° you think?  
waking in the morning thinking damn I shouldnäŠ°  
drink.

I kinda know yeah I know but I donæŠ° want to know  
what I did when I was kid indestructible  
I put the pieces together enough to know I fucked up

friday læŠ; always paying through the nose  
cause I choose to start the weekend early  
and they say you shoulda seen yourself last night  
then they laugh yeah you were in great form

the barman wonæŠ° serve me but heæŠ serving all  
the ladies  
I want to jump the bar and send the bitch to Hades  
so I pick up all his straws and  
I throw them at his little pinhead  
the bouncer saw me now læŠ; dead  
ah fuck læŠ; dead
