So many people telling me one way  
So many people telling me to stay  
Never had time to have my mind made up  
Caught in a motion that I don't wanna stop

So many people telling me one way  
So many people telling me to stay  
Never had time to have my mind made up  
Caught in a motion that I don't wanna stop

So many people telling me one way  
So many people telling me to stay  
Never had time to have my mind made up  
Caught in a motion that I don't wanna stop

So many people telling me one way  
So many people telling me to stay  
Never had time to have my mind made up  
Caught in a motion that I don't wanna stop  
That I don't wanna stop  
That I don't wanna stop
