

Whitest Kids U Know, The "Grapist commercial"

Visit "[Grapist commercial](#)" on MotoLyrics.com

You kids look like you could use delicious fruity
beverage!

Might I suggest fizzy-pop's grape blast!

The new soda from Johnson's and Hedge's!

Open wide kids, 'cause I'm going to grape you in the
mouth!

Come here kids!

I'm going to tie you to the radiator and grape you!

"Buy some today, and get a free grape whistle!"

Okay, when I'm finished graping you,

I'm going to go upstairs and grape your mother, and
your father

then I'm going to take your whole family down to the
basement

and grape you all for decades and decades and
decades and decaaaaades!
