Whoa

Whoa

Yeah

Yeah

This is the crap right here

It's real real early in the mornin'

Saturday mornin'

But I'm awake

And I got a boombox yo!

Let's wake up your neighbors

Time to wake up your neighbors

Let's wake up the neighbors

Time to wake up the neighbors

It's 8 o'clock in the mornin'

And your neighbors are upstairs snorin'

When they should be up enjoying the day

Go to your stereo and here's the track to play

Let's wake up your neighbors

Time to wake up your neighbors

Let's wake up the neighbors

Time to wake up the neighbors

Let's make a song with a lot of bass

So we're sure they'll hear it in their place

But wait before we mix it down

Let's add in more annoying sounds

That's good

Let's put some lasers here

Some loud guy screaming in your ear

Now take this beat out to the street

And drive around with it on repeat

(Annoying sounds playing in background)

Let's wake up your neighbors

Time to wake up your neighbors

Let's wake up the neighbors  
Time to wake up the neighbors

Let's wake up your neighbors  
Time to wake up your neighbors  
Let's wake up the neighbors  
Time to wake up the neighbors

Let's wake up your neighbors  
Time to wake up your neighbors  
Let's wake up the neighbors  
Time to wake up the neighbors
