"This song is for everyone in the club,  
someone real' special just walked in the door,  
and he's ready to party."

Super dog is here to play.  
Super dog is here to play.  
Super dog is here to play.

Say, "Hail to the chief,  
hail to the chief!"  
Someone grab a stick and play fetch with the chief.  
Super dog's in the discotheque  
And he's gonna' take some honeys in here to bed.  
He doesn't roll over, and never begs  
If you look real good he'll hump your leg.

But don't get mad, girls, don't get bitter  
Some lucky lady's gonna have his litter

Everybody get on your knees,  
and pray like good little super puppies.  
Everybody get on your knees,  
and pray like good little super puppies.

Oh Super Dog, don't kill us all  
Don't murder us with your furry paws  
We are your subjects, you're our ruler  
Like Kennedy and Buddha but so much cooler.

The bark you make is a golden sound  
And the spots on your coat so round and brown  
The cute little curl that's in your tail  
And nobody wears a cape so well

It's Super Dog, yes Super Dog  
Everybody get a picture with Super Dog  
Pet him on the head  
Give him a toy  
Oh Super Dog is such a good boy  
It's Super Dog, yeah Super Dog  
Everybody get in line and touch Super Dog

Please bless our food  
And bless our crops  
So we pray that the music never ever stops
