Never talk back to your mom and dad when you are mad.

Never talk back to your mom and dad when you are mad.

Never be rude and be disrespectful.

Never break rules, then get forgetful.

Never throw a tantrum on the floor.

Never shout at them and slam the door

'CAUSE THAT'S HOW YOU GET GROUNDED!

Never cheat off some other kids test when you're in school.

Never cheat off some other kids test when you're in school.

Never get the answer from a friend.

Never sneak in notes written on your hand.

Never let your eyes begin to wonder,  
from your paper to another.

'CAUSE THAT'S HOW YOU GET SENT TO THE PRINCIPAL!

Never take cough syrup and mix it up with iodine and lye.

Never take cough syrup and mix it up with iodine and lye.

Never take the strike pads off a match book,  
or go to a hardware store and then look,  
near the paint thinners for muriatric acid

Never go bring a pot into a rapid,

Boil or get hydrogen poroxide,

never go to a farming store and then buy,

PH strips and PVC pipes,

Those fuel cans that make outdoor grills light.

'CAUSE THAT'S HOW YOU MAKE CRYSTAL METH!
