**Verse 1:**

Defective products everywhere  
I stepped on one while walking  
Across the grass that grows like hair  
Where lovers were sitting talking  
About the money they would make  
Selling defective products

**Chorus:**

It caught my shoe and jammed  
Damned and defectively made  
A curse upon the land  
Damned in the USA

**Verse 2:**

Anyway it wasn't a snake  
Or a squirrel or a pair of ducks mating  
It was an escalator coming up  
Out of the ground from Hell  
Like the old dumb-waiter in the haunted house  
Around the riverbend

[Repeat Chorus]

**Verse 3:**

It was an escalator  
Coming up out of the ground  
From Hell like the old dumb-waiter  
In the haunted house around  
The riverbend that used to be  
Run up and down in the old days

[Repeat Chorus]

**Verse 4:**

Like the old dumb waiter that used to be  
Run up and down in the old days  
Until the Yankees came and we  
Each dug a few graves  
For the bodies that belonged to

The souls that returned to  
Hades after the war  
Hades after the war

[Repeat Chorus]

Coda:  
A curse upon our land  
Damned in the USA
