Verse 1:

Even after the
Trying and succeeding
After the
Unflagging effort
And after the
Flagging effort
To make Another effort
And finally
After the
Culmination
Finally
After the
Vindication

Chorus 1:

We are still alone
We are still alone
Still alone
All alone

Verse 2:

Not that we
Do not choose
To be alone
But that we
Cannot choose
Not to be
For if we proceed
As if we did
We find

The trying and succeeding
Designed
To fail

Chorus 2:

We are still alone
We are still alone

Verse 3:

Not that we
Cannot choose
To be alone
But that we
Cannot choose
Not to be
For if we proceed
As if we did
We find
The trying and succeeding
Designed to fail

Chorus 3:
We are still alone
We are still alone
Still alone
(Despite the trying and succeeding)
All alone
(Despite the trying and succeeding)

[Repeat Verse 1]

[Repeat Chorus 3 2x]
