Verse 1:

I could choose not to sever  
The body from the head  
To live a short while longer  
In all-consuming dread

Verse 2:

Of waking up enwrapped  
In coils about my neck  
And chest and stomach trapped  
Without a chance to check

Verse 3:

On children of the world  
To see that they are free  
Of evils that unfurled  
And tightened up on me

Chorus:

Tightened up on me  
Tightened up on me  
Evils that unfurled  
And tightened up on me

[Repeat all]
