

Whores of Babylon, The "Love Under Will"

And you go down like submarine / In the cigarette haze
filled neon sea / A new cat to skin / For all the dog
days / For every nobody face / Has a story to tell
/ Has a soul to sell / Different maps of hell

Petty lies are truth just / Optimized / Two bit whores
playing penny wise

And you are dying to get a life / And you would kill to
find some peace

And you love it all / Love under will / Deadened to
horror / Bathed in sin / God damned the Devil may care
/ For each step further down in Hell / For all
escatologies
and the parables

And the serpent talks to you at night / As you slowly
turn away from the light / Poison oracles / Bastard
disciples / Running out of peanuts for the human zoo
/ Living day by day / Withering away / Dyeing black
the grey / Just like me and you

Petty lies are truth just / Optimized / Two bit whores
playing penny wise

And you would ask if you knew the answers / And you
would try if you knew you'd succeed

And you love it all / Love under will / Deadened to
horror / Bathed in sin / God damned the Devil may care
/ For each step further down in Hell / For all
escatologies
and the parables

So nothing is true / And everything's permitted /
What's it to you / When your world is breaking loose

Pretty love pretty hate inside you / Pretty love pretty
hate inside your / Heart
