No right It ain't right to fight
No right I'm hard like evil dynamite
No right It ain't right to fight
But I fight anyway just to make you stay

No right It ain't right to steal
No right I got no sex appeal
No right It ain't right to steal
But I steal anyhow anytime I feel

Hey little hun' you're playing hard to get
Hey little hun' I ain't no pussy pet
Hey little hun' you make me brake all the rules 'cause
I'm a democratic saviour in my worn out shoes

No cool It ain't cool you see
No cool Look what you're doing now to me
No cool It ain't cool you see
'Cause I freeze like a dawg cause you're too cool for
me

You're rude Yeah you're rude to me
You're rude well hey I like it now you see
You're rude Yeah you're rude to me
Oh I love how it hurts when you satisfy me
