Someday I will be someone
who loves someone,
someone who wants to be
the only one to be
with someone like me

Someday I will be a lover
and I'll love her
Whoever she will be
She will be loving me
And I'll be loving her

I don't have to be
A star on TV
(Just want to be)
Somebodys cup of tea
I don't have to be
Able to flie
(Just want to be)
Somebodys piece of pie
I don't have to be a star on tv
(Just want to be)
Somebodys cup of tea
I don't have to be able to flie
Just want to be
Somebodys apple of somebodys eye

I know I will be inlove tomorrow
Even though I know
Tomorrow always comes
Tomorrow I know I must try

I don't have to be
A star on TV
(Just want to be)
Somebodys cup of tea
I don't have to be
Able to flie
(Just want to be)
Somebodys piece of pie
I don't have to be a star on tv

(Just want to be)
Somebodys cup of tea
I don't have to be able to flie
Just want to be
Somebodys apple of somebodys eye

We'll wait for love no more
Today I'm walking out the door

I don't have to be
A star on TV
(Just want to be)
Somebodys cup of tea
I don't have to be
Able to flie
(Just want to be)
Somebodys piece of pie
I don't have to be a star on tv
(Just want to be)
Somebodys cup of tea
I don't have to be able to flie
Just want to be
Somebodys apple of somebodys eye
