Hello World by Widescreen Mode

CHORUS

She's lying to you

Please don't count on her anymore

She's lying to you

I don't wanna see you breaking again

1ST VERSE

Nothing is like it seems

The trust has faded away

Hidden lies, silent truth

Respect has turned to pain

I always felt we are brothers

And now we're standing on different sides

I never lost my fate in us

But I don't know about it anymore

BRIDGE

Nothing is true

Someone is trying to make you a fool

CHORUS

She's lying to you

Please don't count on her anymore

She's lying to you

I don't wanna see you breaking again

You are nobodys fool

Please don't cry for her anymore

She's lying to you

I don't wanna see you breaking again

2ND VERSE

Nothing is like it seems

The trust has faded away

Hidden lies, silent truth

Respect has turned to pain

I always felt we are brothers

And now we're standing on different sides

I never lost my fate in us

But I don't know about it anymore

BRIDGE

Nothing is true

Someone is trying to make you a fool

CHORUS

She's lying to you

Please don't count on her anymore

She's lying to you

I don't wanna see you breaking again

You are nobodys fool

Please don't cry for her anymore

She's lying to you

I don't wanna see you breaking again

C PART

I don't wanna see

I don't wanna see

I don't wanna see

...you breaking!

I don't wanna see

I don't wanna see

I don't wanna see

...you breaking!

She's lying to you

Please don't count on her anymore

She's lying to you

Nothing is true

Nothing is true

I don't wanna see you breaking again
