I'm used to being all right
I'm used to being alone
I'm used to staying out at nights
Without a-having a phone
And now you enter my life
I never saw you arrive
Woah shit, you got through
I suppose Iâ€¦!

My friends are out of the view
You're making dinner for two
You're always keeping in touch
You say I'm drinking too much
You got me lying with ease
I'm only keeping the peace
Woah shit, you got through
I suppose Iâ€¦!

Oh yeah
Rock 'n' roll
I wanna see some hands
Rock 'n' roll can rule the world

There's a lot of trust
There's a lot of ties
Well, there's a lot of girls out there
And there's a lot of guys
So why it's got to be us
Who's gotta jump on the bus
Woah shit, you got through
I suppose Iâ€¦!
I suppose Iâ€¦!
