She adore, she adore  
When you walk  
Through the door  
Vule vu, vule vu  
I wanna be with you  
C'est la vie  
C'est la vie  
You were made for me  
Ah ah ah ah  
The time has come and  
This is the night  
I'm gonna make my move  
Get everything right  
I'm gonna drive the sweet  
Of you an champagne on ice  
I'll be your sugar and spice  
And everything nice

I may not be  
What you had in mind  
But if I get my act together  
It's just a matter time

I'm gonna tap  
On your shoulder  
I'm from a long time  
To hold ya  
Showin' you that  
You need a lover  
Who can be  
So smooth never met

So fine that  
I'll drive you crazy  
That way I'll make  
You my baby  
Dang, girl excuse my french  
I can't believe how good  
You look to me  
Dang, girl excuse my french  
I can't believe how good  
You look to me

Well here we are  
Movin' to the beat  
I feel like a foolish dancer  
With two left feet  
I seem to fall flat on my face  
'Cause when it comes to love  
I feel so out of place

I'm try to be  
The man of your dreams  
But every time I look at you

I get off from the seat and fall

I'm gonna tap on your shoulder  
I'm from a long time to hold ya  
Showin' you that you need a lover  
Who can be so smooth never met

So fine that  
I'll drive you crazy  
That way I'll make  
You my baby  
Dang, girl excuse my french  
I can't believe  
How good you look to me  
Dang, girl excuse my french  
I can't believe  
How good you look to me

Don't be afraid of me  
I'm just up and  
Tangled in your aura  
Girl shinin' for your love

She adore, she adore  
When you walk  
Through the door  
Vule vu, vule vu  
I wanna be with you  
C'est la vie,  
C'est la vie  
You were made for me  
Ah ah ah ah

I'm gonna tap  
On your shoulder  
I'm from a long time  
To hold ya  
Showin you that

You need a lover  
Who can be so smooth  
Never met

So fine that  
I'll drive you crazy  
That way I'll make  
You my baby  
Dang, girl excuse my french  
I can't believe  
How good you look to me  
Dang, girl excuse my french  
I can't believe  
How good you look to me

Can't believe  
How good you look to me
