In these sleepless avenues, Ive seen my past
Along the sidewalks, Ive seen the whole cast
Find your bloom in stories
Wipe the dust and type it down
Ease the pain and build your crown
But its me
Me among others

Take it easy; whatever it takes
In times like this, Ill be the gamble
Im so much older now

Theres a way to recommend
Walk these shores, stones and sand
Theres a way to hold your hand
But its me
Me among others

Take it easy; whatever it takes
In times like this, Ill be the gamble
Im so much older now

Im not a stranger
There is no such thing
I love the hope and faith in early spring
Time to sing

Take it easy; whatever it takes
In times like this, Ill be the gamble
Im so much older now
