Sky, so vast is the sky  
With far away clouds just wandering by..  
Where do they go?  
Nobody knows, Nobody know...

Wind that speaks to the leaves  
Telling a story that no one believes  
Stories of love  
Belong to you and me....

Oh Dindi....  
If I only had words  
I would say all the beautiful things that I see  
When you're with me  
Happy Dindi

Oh Dindi...  
Like the song of the wind in the trees  
That's how my heart is singing Dindi, Yes I'm happy to  
be  
When your with me, Please believe me  
I love you more each day  
Yes I do, mama yes I do, sincerely  
I'd let you go your way  
If you take me with you

Don't you know, Don't you know Dindi  
I'd be running and searching for you  
Like a river that can't find the sea  
Yes that would be me  
Without you my Dindi

Please don't tease me  
I love you more each day  
Yes I do, mama yes I do, sincerely  
I'd let you go your way  
If you take me with you

Don't you know, Don't you know Dindi  
I'd be running and searching for you  
Like a river that can't find the sea

Yes that would be me  
Without you my Dindi  
Only you my Dindi  
Just.....for you my Dindi
