Yes, sometimes it seems that I don't care

Don't worry 'bout it, baby, don't you never, never, never
fear

That's a man's way, oh, that's a man's way

(That's a man's way)

Of lovin' you, yes, it is, yes, it is, child

One more thing, I know I buy you so many fancy things

When you already have so much, you just can hardly
find room enough

But that's a man's way, oh, that's a man's way

(That's a man's way)

Of lovin' you, yes, it is, yes, it is, child

If I had to leave you and go away, you know what?

I'd write you a letter each and every day

One more thing, I know you get so tired of me callin'
you on the phone

But that's a man's way of sayin' you just don't wanna be
all alone

If you give me a million things to do, you know what?

I'd do them all, baby, just to get back home to you

That's a man's way, oh, that's a man's way

(That's a man's way)

Of lovin' you, yeah

(That's a man's way)

Yes, it is

(That's a man's way)

A real man's way

(That's a man's way)
