I didn't know then what I know now
That You could take a life and turn it around
Then keep it stayed on solid ground
Until You did it all for me

See Lord, I knew that my life was goin' down
Until You came in and rescued me
You said to keep my mind stayed on Thee
And You'd supply my every need

But Lord, there's so much You've already done for me,
yeah
You made me see, You're all that I need
So here's a praise from my heart, thanks for blessin'
me
I'm on my knees, thankin' You for keepin' me, yeah

Wanna thank You Lord for all You've done for me
(Thank You Lord for blessin' me, hey, hey)
My life is so complete and I give You all the praise
(Everythin' You've done, I give You the praise)

I wish I knew then what I know now
What the good life is all about
It took so long for me to figure out
But I'm so glad that I did

It took a while for me to see
I needed You to make my life complete
Erase my past and then direct me
And make me what I need to be

But Lord, there's so much You've already done for me,
yeah
You made me see, You're all that I need
So here's a praise from my heart, thanks for blessin'
me, yeah
I'm on my knees, thankin' You for keepin' me, yeah

Wanna thank You Lord for all You've done for me
(Thank You Lord for blessin' me, oh, oh Lord, oh)

My life is so complete and I give You all the praise
(That is what I think You are)

Wanna thank You Lord for all You've done for me
(Thank You Lord, thank You Lord)
(Everythin' You've done, You made my life complete,
oh)
My life is so complete and I give You all the praise
(And I give You all the praise, oh)

But Lord, there's so much You've already done for me
(You've done so much for me)
You made me see, You're all that I need
So here's a praise from my heart, thanks for blessin'
me, yeah, yeah
I'm on my knees, yeah thankin' You for keepin' me,
yeah

Wanna thank You, Lord for all You've done for me
(I wanna thank You Lord for everythin', for everythin'
You've done)
My life is so complete and I give You all the praise
(So complete, said I need You Lord in my life today)

(Said I wanna thank You, wanna thank You Lord)
Wanna thank You Lord for all You've done for me
(For everythin' You've done, for everythin' You've done)
My life is so complete and I give You all the praise
(So complete, there's nothin' that I need no more)
(There's nothin' that I want no more since I've found
You)

Wanna thank You Lord for all You've done for me
(For everythin' You've done, for everythin' You've done)
My life is so complete and I give You all the praise
(Everythin' of my life)

Wanna thank You Lord for all You've done for me
(Wanna thank You Lord, for all You've done for me, for
me, yeah, oh)
My life is so complete and I give You all the praise
(You've given me so much more than the world can
give me)

Oh, can you help me? Say it, I kneel, I kneel
Can you help me? Say it, it's Your's, it's Your's, it's
Your's
Everythin' I have, it's Your's and the
