I was wrong about you  
You were meant to be,  
My girl and friend also  
Personal relief

Awkward silence in room  
I can hardly speak  
Paralyzed in quiet  
Your head falls in red

[Chorus x2]  
And I'm howlin'  
Please come back to me x2

On my mind is your face  
But tonight you're gone,  
Disappear in dust  
Feelin' all alone

My wild heart is moaning  
Screaming silent words,  
Your cold nameless body  
Lying on the floor

[Chorus x2]  
And I'm howlin'  
Please come back to me

On my mind is your face  
But tonight you're gone,  
Disappear in dust  
Feelin' all alone

My wild heart is moaning  
Screaming silent words,  
Your cold nameless body  
Lying on the floor

[Chorus x2]  
And I'm howlin'  
Please come back to me
