"Mary"

Do you know her?
A kinky girl named Mary
Have you seen her?
She got a pretty huge balcony
Nevermind though
She's not so special, just the contrary
I never thought that
She'll put me in such a misery

[Chorus]
I'll never again be over there
From now and on will be aware
I felt like I lost my pride, why I care?
I got ignored, guess I can't compare

Do you know this girl
She was confusing me
And every day and night
She only talked to me

Do you know me?
A cool guy, I can't complain
Many "Tens" where on the backseat of my van

[Chorus]
I'll never again be over there
From now and on will be aware
I felt like I lost my pride, why I care?
I got ignored, guess I can't compare

Do you know this girl
She was abusing me
And every day and night
She only talked to me

[Bridge x3]
I'll never again be over there
From now and on will be aware

[Chorus x3]
