Why do you care?
Disappointment seems
To be in the air

Gimmie gimmie gimmie
That's mine not yours
I don't want friends
Except for yours

As relentless as it seems
It's not a dream
I don't mind friends
If they're not gonna leave

Don't mind me
I'm just a dream
A dream that seems
To only leave

Your mind it seems is mine not yours
Your mind it seems is mine not yours
Take time to see you're mine not yours
Your mind it seems is mine not yours

Disappointment, disappointment
Burn all my hair
Bright lights seem
To be everywhere

Gimmie gimmie gimmie
That's mine not yours
I don't want friends
Except for yours

As relentless as it seems
It's not a dream
I don't mind friends
If they're not gonna leave

Don't mind me

I'm just a dream
A dream that seems
To only leave

Your mind it seems is mine not yours
Your mind it seems is mine not yours
Take time to see you're mine not yours
Your mind it seems is mine not yours

I'll try
I'll try
I'll try
I'll try

Your mind it seems is mine not yours
Take time to see you're mine not yours
Take time to see you're mine not yours
Your mind it seems is mine not yours
