I still love you
You will leave
When you loved me
I believed

Heartstrings, they all seem metal bound
The sound is breaking all around

I still love you
You will leave
When you loved me
I believed

Tears they blind me
You will leave
When you loved me
I believed

Heartstrings, they all seem metal bound
The sound is breaking all around
You know you don't seem very proud
Heartstrings, they all seem very loud

Tears they blind me
You will leave
With open eyes
I believed
Tears they blind me
You will leave
With open eyes
I believed
Tears they blind me
You will leave
With open eyes
I believed
Tears they blind me
You will leave
With open eyes
I believed

Heartstrings, they all seem metal bound

The sound is breaking all around
You know you don't seem very proud
Heartstrings, they all seem very loud
