Time's gone
It doesn't matter anyway
It's known
You never had it anyway

Milk quake
Earth shake

Fake test
It doesn't matter anyway
Truth told
I never had it anyway

I need some provocative eyes
I'm trapped in these unpolished lies
Drain my thrills

If jobs were work
I'd never be late
If jobs were work
I'd never be late
If jobs were work
I'd never be late

Clod sweats
I'll try to look the other way
By now
You never mattered anyway

Milk quake
Earth shake

Times gone
I'll think about another day
Truth told
I never had it anyway

I need some provocative eyes
I'm trapped in these unpolished lies
Drain my thrills
Coffee kills

I need...
