I'm laughin but they're laughin at me  
And I think, well how could this be?  
And I wonder  
If it could be the same  
If it could be the same

I look around and I close my eyes  
Just for a second and begin to cry  
And I wonder  
If it could be the same  
If it could be the same  
If it could be the same  
If it could be the same  
It's not a shame

My songs, they mean things to me  
Even if you can't see  
And I wonder  
If it could be the same  
If it could be the same

Suffocatin' like Brian Jones  
There must be more like me, set me free  
Please set me free  
Please set me free  
Please set me free  
Please set me free

And your guitar, it seems good to me  
And things in life, they ain't come free  
They ain't for free  
They ain't for free

I have an urge deeper than me  
To quit school and just be free  
And I wonder  
If it could be the same  
If it could be the same  
If it could be the same  
If it could be the same  
It's not a shame

I wrote a new song and no one cares  
There must be more like me, set me free  
Please set me free  
Please set me free  
Please set me free  
Please set me free
