Oh baby you're so profound  
Yeah mister world renowned  
I wanna watch you scrounge  
Bloodhounds all around

I bet you really wanna  
I bet you really wanna  
Help me now through this drama  
I know you really wanna  
Help me to play the drama

I play the role  
Watch it unfold  
White cheetah chrome  
This is my poem

So baby you been pushed down  
Yeah baby I been around  
She said he holds the crown  
Girls are every town

I bet you really wanna  
I bet you really wanna  
Help me now through this drama  
I know you really wanna  
Help me to play the drama

I play the role  
Watch it unfold  
White cheetah chrome  
This is my poem

I am a fool  
Laughed at through school  
I sleep at night  
In dreams I fight  
In dreams I fight  
In dreams I fight  
In dreams I fight  
In dreams I fight

I know you really wanna  
I know you really wanna  
I know you really wanna

I play the role  
Watch it unfold  
White cheetah chrome  
This is my poem
