I can't stand the boy
Being played like a toy
I can't stand the girl
All covered in pearls

Ooh, your blood's not so thick
You're making me sick

I walk down the street
I can't find the beat
I search through the halls
The greatest man falls

Ooh, your blood's not so thick
You're making me sick

Ooh, your blood's not so thick
You're making me sick

Until the break of day
My babe are you okay?
Until the break of night
My babe are you alright?
My babe are you alright?

(All time
Wasted on life)

Is it my fault or yours?
I couldn't have known
I can't hear my voice
And what's all that noise?

Ooh, your blood's not so thick
You're making me sick
