Oh so Johnny let you in
What happens now you'll regret within
Oh baby, baby, baby let me in
If I were him you know I'd let you in

Take me home
Take me home

Hey I heard you're doing well
Oh Johnny says he's gonna cast a spell
Oh baby, baby, baby wish me well
If I were him you know I'd wish you well

Take me home
Take me home
Take me home
Take me home

What happens now is a great addition
What happens now is a great addition
What happens now is a great addition
What happens now

Oh, oh, oh baby break me down
Oh, oh, oh baby break me down
Oh, oh, oh baby break me down
Oh, oh, oh baby break me down

Oh so Johnny let you down
Now Johnny says he's gonna make me drown
Oh baby, baby, baby break me down
If I were him you know I'd let you drown
