My back is broken
I feel the pain
Her heart is broken
It feels the same

I get your letters
I play the game
I get your phone calls
They're all the same

You only get one chance my darling
My darling two time
You only get one chance my darling
My darling two time
Two time

He's on his way
Fresh out the gate
She's going nowhere
It's just too late

He's bore a child
His manners mild
She is irate
And always late

You only get one chance my darling
My darling two time
You only get one chance my darling
My darling two time

What's wrong is right
I fight the fight
What's wrong is right
She fights the fight

You only get one chance my darling
My darling two time
You only get one chance my darling
My darling two time

You only get one
You only get one
You only get one chance
You only get one chance my darling
My darling two time
Two time
