My life is going nowhere fast  
i look my past  
alone here with my pain  
and all the things i must do  
i don't know i can't  
i was there and i'm sure  
now i can't be with you  
cause my luck laughs on me, or just it seems

all my problems are jumping fast on my brain

like an hammer hit my head  
i cant run away  
i just need a stop

i will fly over my thoughts  
i just wanna have the time for myself  
find my calm sit on a cloud  
find my balance lookin' throught the sun
