Miss America

Miss America, I'm tryin' to marry ya where you at?
Miss America, I'm tryin' to marry ya where you at?

Now tell me anybody have you ever seen her
Coke bottle body with a Super Model demeanor
The type of girl you would consider a keeper
Take her to the crib so the family can meet her

Maybe I've been lookin in all the wrong places
So many names and numbers I can't remember
faces
So let me take you back to basics
For real I'm only lookin for One, then I'm done

Miss America, I'm tryin' to marry ya Where you at?
Where you at?
If I'm in your area, or gettin near to ya
Tell me where you at on the map (baby you know)
»Cuz you know that I been lookin for ya
And when I find you girl, I'm gonna spoil ya
Miss America, I'm tryin' to marry ya Where you at?
Where you at?
I'm
I'm Am I even goin in the right direction
You got me stumblin' fumblin' like I'm
guessin'
So should I make a U-Turn
Or keep my foot on the pedal and let it burn
Where in the world are you
I'm a wish on a star for a GPS
Show me right where you are be at your doorstep
»Cuz I been lookin' all around for the right girl to
get the crown

Miss America, I'm tryin' to marry ya Where you at?
Where you at?
If I'm in your area, or gettin near to ya
Tell me where you at on the map (baby you know)
»Cuz you know that I been lookin for ya

And when I find you girl, I'm gonna spoil ya
Miss America, I'm tryin' to marry ya Where you at?
Where you at?

(Miss America Woah Oh)
Miss America, I'm tryin' to marry ya Where you at?
Where you at?
If i'm in your area, or gettin near to ya
Tell me where you at on the map (baby you know)
»Cuz you know that I been lookin for ya
And when I find you girl, I'm gonna spoil ya
Miss America, I'm tryin' to marry ya Where you at?
Where you at?

You could be the one
