Di way mi live Jesus mi love him more than good food
Well, new life, new everything
Because the blood of Jesus washed away all of mi sin
Mi get a new Life, new attitude
Di way mi live Jesus mi love him more than good food
Well, new life, new everything
Because the blood of Jesus washed away all of mi sin

Remebering the times when I was a deep dung inna sin
Mi used to do some real real messed-up things
Like all a night club late night gone a sinning
And them mi get a mixed up inna pornographic deal
I never really know what I was a really thinking
'Til I get mixed up inna di masturbating
Right then I know I was deep dung in sin
But the blood of Jesus washed away all of my sin

And deep dung mi know it hit her just life a knife
Mi used to love war mi used to love fear, strife
Ke look pon mi ta unhold a wan teki life
Mi hear a likka voice, a voice from the host
Sa what di problem an forgen di borl a loose 'im only

Like the blink of an eye I saw my life was just fading
But Jesus Christ call me an se wingy stop dem sin-

An right then mi tell dem right then now mi do some
