Tell me why you running girl
It's so absurd
Saying we're aint more than friends
'Couse to me it's all confusing

'Couse you wanna play around, and settle down
Baby this just makes no sence, how you always get me
guessing
'Couse it's true

I wanna be with you
What am I gonna do
Yeahwhoah

You're my sexy girl
You're my only world
Why you go and break my heart
With a love like that, no turning back, no
Sexy girl
You're my only world
Why you go and break my heart
With a love like that, no turning back

Still I keep holding on to what's gone
Hoping that a fool would do
But you say that game is over
But baby you're the gambling kind, it's the all the line
There's no way that I'm getting through
How I'll never win you over
'Couse it's true
I wanna be with you
What am I gonna do
Nawooooaahhoo

You're my sexy girl
You're my only world
Why you go and break my heart
With a love like that, no turning back, no
Sexy girl
You're my only world
Why you go and break my heart

With a love like that, no turning back

Take my heart as a token
It's no use to me
I don't need it, it is broken
Now you can be free
And I know what you're thinking
I will make it through
You should know I can't live without youuuuuuuuu nah

You're my sexy girl
You're my only world
Why you go and break my heart
With a love like that, no turning back, no
Sexy girl
You're my only world
Why you go and break my heart
With a love like that, no turning back

You're my sexy girl
You're my only world
Why you go and break my heart
With a love like that, no turning back, no
