Yeah!

2Mex clusive

Yeah

And the chow shall feed them

And the chow shall feed them

The return of Fernandomania

And the chow shall feed them

And the chow shall feed them

The return of Fernandomania

And the chow shall feed them

And the chow shall feed them

The return of Fernandomania

[Verse 1]

My name is 2Mex I'm not afraid of the cops I

just live, check to check and I stay hip hop

I got a brand new cd that I know you don't got

I got my own fat section at the mom and pops

And I'm the

Reason that your little brothers not a gangster

I'd like to take a little bit of time to just thank you

for buying imitations to weak toys

you've spawned a new nation of b-boys

the bling bling stuff was a mirage

I got your sister doing head spins in the garage

and you can pass the XO pass the Hennessey

Pass me the X-Clan and Public Enemy

The straight best from the underground west

You should buy a kid a book and not a bullet proof

Vest so if you're wondering why you should even try

All eyez are on me but I'm not ready to die

[Chorus]

So when you feel down like you don't belong

And you actually care about lyrics in a song

I got this brand new drug

And it's the bomb

Its called run back home and hug your mom

And the chow shall feed them
And the chow shall feed them
The return of Fernandomania

And the chow shall feed them
And the chow shall feed them
The return of Fernandomania

[Verse 2]

My name is 2Mex and I'm proud to be brown
In L.A. I got a ghetto pass I'm allowed to be down
I'm a walk into your town like a bum or a clown
As soon as I open my mouth you hear the lyrics sound
I'm a miracle elephant it's not a miracle (?)
West coast underground hip-hop is relevant
So go ahead and dissolve in the illusion
I know this song won't solve the resolution
You might catch me in an Escalade
But I don't make hip hop to have sex and get paid

[Chorus]

And the chow shall feed them
And the chow shall feed them
The return of Fernandomania

And the chow shall feed them
And the chow shall feed them
The return of Fernandomania

And the chow shall feed them
And the chow shall feed them
The return of Fernandomania
