I've seen the angel all dressed in white  
Coming to collect me on this moonless night  
I'll be your maiden all dressed in blue  
When the world forgets me  
I will come with you

Ichabod  
Make me everything I'm not  
Ichabod  
Pull me through  
Ichabod  
Make me everything I'm not  
Ichabod  
I will come with you

You are the devil all dressed in red  
Coming to collect me  
Come collect the dead  
I'll be your maiden all dressed in blue  
When the world forgets me  
I will come with you

Ichabod  
Make me everything I'm not  
Ichabod  
Pull me through  
Ichabod  
Make me everything I'm not  
Ichabod  
I will come with you

Lightning etches spiders in the sky  
Underfoot, the earth divides  
And at my side  
The shadow of someone I recognize  
Lift my veil  
Pull me in

Ichabod  
Make me everything I'm not  
Ichabod

Pull me through  
Ichabod  
Make me everything I'm not  
Ichabod  
I will come with you
