Oh, why you look so sad, tears are in your eyes,
Come on and come to me now, and don't be ashamed
to cry,
Let me see you through, 'cause I've seen the dark side
too.
When the night falls on you and you don't know what to
do,
Nothing you confess could make me love you less

I'll stand by you,
I'll stand by you,
I won't let nobody hurt you,
I'll stand by you

So if you're mad, get mad, don't hold it all inside,
Come on and talk to me now.
Hey there, what you got to hide?
I get angry too, well, I'm alive like you.
When you're standing at the cross roads,
And don't know which path to choose,
Let me come along, 'cause even if you're wrong
I'll stand by you

When the night falls on you and you don't know what to
do,
You're feeling all alone, you won't be on your own

I'll stand by you,
I won't let nobody hurt you,
I'll stand by you

I'll stand by you

I'll stand by you

I'll stand by you,
Take me in into your darkest hour,
And I'll never desert you
I'll stand by you
[x2]

I'll stand by you
