Want for nothing
You ignore all the good
What for?
I don't understand
What's wrong?

Let me drown you out
Sink you like a stone
Let me drown you out
Sink you like a stone

I want this burden lifted
Give me the gift of silence
All unspoken words
You ignore all the good
What for?
I don't understand

Let me drown you out
Sink you like a stone
Let me drown you out
Sink you like a stone
[x2]

This is an excommunication
You think in isolation
I just might feel some kind of regret
If I were you I wouldn't hold my breath

Let me drown you out
Sink you like a stone
Let me drown you out
Sink you like a stone
[x2]

This is an excommunication
You think in isolation
I just might feel some kind of regret
If I were you I wouldn't hold my breath

You ignore all the good

What's wrong?
I don't understand

Let me drown you out
Sink you like a stone
Let me drown you out
Sink you like a stone
[x2]
