Out on the tar plains, the glides are moving  
All looking for a new place to drive  
You sit beside me, so newly charming  
Sweating dew drops glisten, freshing your side.

And the sun drips down bedding heavy behind  
The front of your dress all shadowy lined  
And the droning engine throbs in time with your  
beating heart

Sing blue silver

Way down the lane away, living for another day  
The aphids swarm up in the drifting haze  
Swim seagull in the sky, towards that hollow western  
isle  
My envied lady holds you fast in her gaze.

And the sun drips down bedding heavy behind  
The front of your dress all shadowy lined  
And the droning engine throbs in time with your  
beating heart

Sing blue silver

And watching lovers part, I feel you smiling  
What glass splinters lie so deep in your mind?  
To tear out from your eyes  
You're the boy to stiffen brooding lies  
And I'll only watch you leave me further behind

And the sun drips down bedding heavy behind  
The front of your dress all shadowy lined  
And the droning engine throbs in time with your  
beating heart

Sing blue silver  
Sing blue silver  
Sing blue silver  
Sing blue silver  
Sing blue silver

And the sun drips down bedding heavy behind  
The front of your dress all shadowy lined  
And the droning engine throbs in time with your  
beating heart
