(Gale)

Peeta I love Katniss Everdeen,  
So you better back down 'cause this is more than a  
filing  
so just deal with it.

(Peeta)

Gale she's the hottest girl in District Twelve  
what makes you think she could fall for a mutation like  
yourself?  
She's - all - mine

(Gale)

Such beautiful eyes!

(Peeta)

I'll bake you pies!

(Gale & Peeta)

We're just two guys!

(Peeta)

I-I-I want to ta-a-ake you awa-a-ay  
take you from the Hunger Games

(Gale)

I-I-I want to fi-i-ight take awa-a-ay  
the pain your feeling toniiiiight...WOAH OHH!

(Peeta)

I-I-I want to ba-a-ake you a ca-a-ake  
for you to eat in the Hunger Games

(Gale)

I-I-I just sho-o-ot you a squi-i-irl  
I shot it from a mile awaaay....WHOA OHHH!

(Katniss)

Two hot guys for me to run between,  
there's no shortage in my District if you know what I  
mean.

I am on \*FIRE\*.  
Gale is the only hunter boy that I see,  
but I get Peeta's buns in my oven for free. Must I  
choose, one?
