I wanna make
the other kids see
tonight we're
gonna tough up,
we're not gonna
Hufflepuff up.
Grab a butterbeer
and come with me
green and silver's
taking all sorts, the
coolest kids at
Hogwarts

La la la
Whatever
La la la
Getting crazy
La la la
That's right
La la la

It'S a Slytherin night,
tonight You and me
broomsticking into
the world.
Tonight, tonight
and we're pulling
out our wands with
a swish and a whirl

We may not really
snake it, but watch
out 'cause we'll fake it.
It's alright, alright
partying hard on a
slytherin night

I woke up with a dark
tattoo not sure how a
got it, but it looks
frickin' awesome

yeah, tonight aws
pretty fun for me
guess it's just a
slytherin party

La la la
Whatever
La la la
Getting crazy
La la la
That's right
La la la

It'S a Slytherin night,
tonight You and me
broomsticking into
the world.
Tonight, tonight
and we're pulling
out our wands with
a swish and a whirl

We may not really
snake it, but watch
out 'cause we'll fake it.
It's alright, alright
partying hard on a
slytherin night

Woah-oh-oh
come on
Oh-oh-oh
All the houses
Woah-oh-oh
everybody
oh-oh-oh

Just don't stop
Just pass me a potion,
feelin' the motion
down in Hogsmeade
feelin' so high, a
snitch in the sky.
Neville told me he'd
bring gillyweed

Just don't stop
Just pass me a potion,
feelin' the motion
down in Hogsmeade
We're sneaking out

with Slytherin cloud,
now everyone shout
the slytherin creed.

It's you and me, we're
faking this house.
We'll keep the secret
quiet as a mouse.
And no one will know it
was us 'cause this is
our night. Meow.

Woah-oh-oh
come on
Oh-oh-oh
All the houses
Woah-oh-oh
everybody
oh-oh-oh

It'S a Slytherin night,
tonight You and me
broomsticking into
the world.
Tonight, tonight
and we're pulling
out our wands with
a swish and a whirl

We may not really
snake it, but watch
out 'cause we'll fake it.
It's alright, alright
partying hard on a
slytherin night
