Tell me why you running girl  
It's so absurd  
Saying we're aint more then friends  
'Cause to me it's all confusing

'Cause you wanna play around, and settle down  
Baby this just makes no sence, how you always get me  
guessing  
'Cause it's true

I wanna be with you  
What am I gonna do  
Hohoowhoah

You're my sexy girl  
You're my only world  
Why you go and break my heart  
With a love like that, no turning back, no  
Sexy girl  
You're my only world  
Why you go and break my heart  
With a love like that, no turning back

Still I keep holding on to what's gone  
Hoping like a fool would do  
That you say that game is over  
But baby you're the game that canding all the lights  
There's no way that I'm getting through  
How I'll never win you over  
'Cause it's true  
I wanna be with you  
What am I gonna do  
Awoooaaahhoo

You're my sexy girl  
You're my only world  
Why you go and break my heart  
With a love like that, no turning back, no  
Sexy girl  
You're my only world  
Why you go and break my heart

With a love like that, no turning back, no

Take my heart as a token  
It's no use to me  
I don't need it, it's broken  
Now you can be free  
And I know what you're thinking  
I will make it through  
You should know I can't live without you

You're my sexy girl  
You're my only world  
Why you go and break my heart  
With a love like that, no turning back, no  
Sexy girl  
You're my only world  
Why you go and break my heart  
With a love like that, no turning back, no

You're my sexy girl  
You're my only world  
Why you go and break my heart  
With a love like that, no turning back, no  
Sexy girl  
You're my only world  
Why you go and break my heart  
With a love like that, no turning back, no
