Feel a Feeling  
Say a Saying  
But you'll still be lonely  
If you think life is only for this moment

Do a Doing  
Mourn a mourning  
Still won't get you off your sorrow  
So go ahead and cry, but you can't pry a look at  
Tomorrow

You don't know which way the wind blows  
So how can you plan tommorow  
You don't know which way the wind blows  
So how can you plan tommorow

Run a Running  
Hide a Hiding  
Whenever you hear the truth  
And when you ask for the proof, you won't listen.  
Listen

Praise a praising  
Build a building  
Trying to get peace into your life  
And you don't even know wrong from right  
Oh, Where is your wisdom

You don't know which way the wind blows  
So how can you plan tommorow  
You don't know which way the wind blows  
So how can you plan tommorow

Die a dying  
Ressurrecting  
By believing and receiving  
Forgiveness from Jesus who took the sin from sinning

You don't know which way the wind blows  
So how can you plan tommorow  
Jesus knows which way the wind blows  
So how can you plan tommorow

Believe Him and recieve

You don't know which way the wind blows  
So how can you plan tommorow  
You don't know which way the wind blows  
So how can you plan tommorow
