### "Waiting For The Explosion"

Last time I met you, I had to say a prayer  
Dark smell of thunder in the air  
Our last kiss it lingered, can almost feel your breath  
Watching volcano's silhouette

How can something so wrong feel so right  
There must be consequences, there must be  
consequences

Waiting for, waiting-waiting for the explosion,  
consequences  
Waiting for, waiting-waiting for the explosion,  
consequences  
Waiting for, waiting-waiting for the explosion,  
consequences  
Waiting for, waiting-waiting for the explosion,  
consequences

What have you done under my skin, I can't control this  
animal  
Desire so raw, asphyxiating, I can't be held responsible  
Slipping too close, grazing my knees, I don't want to be  
sensible  
Stripping away my senses are lost, avoiding the  
inevitable

Never thought I want something so much,  
There must be consequences, there must be  
consequences

Waiting for, waiting-waiting for the explosion,  
consequences  
Waiting for, waiting-waiting for the explosion,  
consequences  
Waiting for, waiting-waiting for the explosion,  
consequences  
Waiting for, waiting-waiting for the explosion,

How can something so wrong feel so right  
There must be consequences, there must be  
consequences

Consequences, there must be consequences

Waiting for, waiting-waiting for the explosion,  
consequences

Waiting for, waiting-waiting for the explosion,  
consequences

Waiting for, waiting-waiting for the explosion,  
consequences

Waiting for, waiting-waiting for the explosion,  
consequences
