Met you at a film preview - we both didn't have a clue

That I'd love you some day - My love, Olga, will stay.

I found a love so true - My Olga, I love you

Your smile make me so glad - With you I can't be sad.

You cheer me when I'm blue - My Olga, I love you

A strong love in-side me - This love I hope you see.

MUSIC BREAK

Olga, do you want me - I'm sure that you'll agree

No one will love you more - It's you that I adore.

You're always on my mind - I love you all the time

Your life is a part of me - My Olga, do you see?

DRUMS

I found a love so true - My Olga, I love you

Your smile make me so glad - With you I can't be sad.

You cheer me when I'm blue - My Olga, I love you

A strong love in-side me - This love I hope you see.
