Reaching out for peace of mind

Me and me said it's alright

Mountain deep and rivers high

It may be coming and I know why

I know why I know why

I wore mink and I wore flesh

And I have meddled and I have festered

I have fallen but not been broken

Seventeen a mother child

Never was by design

Living under what she saw

Living by and never for

Reasons for her peace of mind

People think they just live and die

But I will never die

No I will never die

I wore head and I wore flesh

And I have meddled in the times of pleasure

I have fallen but not been broken

Like the crusaders of 406 at the gates of
Constantinople

It was the minds of great thinkers of centuries before
us

And psycho-supposers that make us walk thousands of
feet below
